

MEMORANDUM OF UNDERSTANDING
between the
LODI UNIFIED SCHOOL DISTRICT
and the
LODI EDUCATION ASSOCIATION

(Three Additional Technology Coaches for 2014-2015)

The Lodi Unified School District ("District") and the Lodi Education Association, (LEA) are parties to collective bargaining agreement ("CBA") that expires on June 30, 2015.

The current CBA provides that *"Any vacancies which occur after the final posting will be backfilled and listed on the first posting of the following school year."*

In this specific instance, both parties have an interest in making a one-time exception by allowing current LEA members to participate in the selection process for these three specific assignments. Therefore, the parties agree as follows:

1. Current LEA members will be allowed to apply for these three new assignments through EdJoin during the posting period.
2. Any current LEA member that applies prior to the close of the posting will be invited to the scheduled interviews.
3. One or more Connect Ed calls will be sent to LEA members during the posting period to inform them of this unique opportunity. The district will send an email to each LEA member's district email account to inform them of this unique opportunity.
4. All three of these assignments will be posted in the transfer process in the spring of 2015.
5. This is a one-time agreement which applies specifically to the posting for the recently added three Technology Coach assignments to be posted during June 2014.
6. This agreement only applies to the three Technology Coach assignments and will be null and void on June 30, 2015
